Town Of Colma Makes Application For C. D. Trailer

Wishes To Improve Fire Fighting Setup

Possibility of securing a trailer for the Town of Colma, equipped with approximately $1,000 worth of fire fighting equipment, was reported by Mayor Paul Delucci at regular Colma council meeting, Monday. "Fire fighting equipment is being distributed through Civilian Defense channels," Delucci reported, "and I have information that there is a possibility we may receive this piece of equipment for local protection."

Enthusiasm was immediately expressed by the council and Councilman Mattrup Jensen moved that City Clerk E. A. Weisenburger immediately contact Civilian Defense authorities and urge that the trailer be stationed in the Town of Colma.

Objection was voiced to a bill submitted by L. C. Smith, paving contractor, for work recently done on E street. The council sent a communication to Smith asking him to meet with its committee to make a satisfactory adjustment.

Citing the additional health department work recently assigned to C. E. Lowe, Councilman Jensen proposed that Lowe's salary be increased $50 per month. Councilman Peter Barsi put Jensen's proposal in the form of a motion. It was seconded by Councilman Bartley Flynn and passed unanimously.

Among other warrants that were passed was the semi-annual payment to the Colma Fire district for protection extended to the incorporated area. Amount

Remove Guard Rail On Junipero Serra Blvd.

Police Chief James G. Reardon expects that the recent removal of the guard rail on Junipero Serra boulevard, just south of Bell avenue, will materially check accidents in that location. His department, with the cooperation of the Joint Highway commission had the rail taken down.

Reardon explained that due to the dimout the poles on the rail created an illusion of a dividing line, leading cars to swing into the on-coming lane through the mistaken idea that they were on the wrong side of the road. Half a dozen serious accidents have occurred at the spot.

Bodien Calls Off Control Board Drill

Arthur J. Bodien, director, announces that tonight's meeting of the Daly City Civilian Defense council has been called off. A control board drill had been scheduled but since most of the members of the city council will be unable to attend, Bodien deemed it impossible to hold an effective drill.

Bodien again reminded volunteers that the federal personnel records need to be filled out at once. These forms are available from the heads of the various services or at Bodien's office, Room 2, city hall, 75 Wellington avenue.

Here's How To Get New Ration Books

War Price and Rationing Board No. 83-12-3, which serves the Daly City area, this week, announced the procedure for replacement of lost or stolen war ration books. The steps as outlined in the letter of information sent The Record makes it painfully clear that the simplest way to keep eating is not to lose books at all. But, since accidents and thefts do occur, here's what residents may plan on doing if they need replacements:

1. Send application to board on Form R-194 in duplicate, 470 Grand avenue, South San Francisco.

(a) Duplicate is forwarded to Enforcement Section for investigation.

(b) Applicant will return to board (10) ten days later for further action on application.

2. (a) Applicant is required to bring to the board a notarized statement explaining whether the book was lost or stolen.

(b) Applicant is advised to advertise the loss in a local newspaper.

(c) A copy of the advertisement should be attached to the application for replacement.

3. If negligence or carelessness is evidenced in the loss, a

Recreation Committee Meets Tomorrow Night

Two major topics will demand the attention of members of the Daly City Recreation committee, when they hold their session, tomorrow night, July 16, 7:45 at the city hall, 75 Wellington avenue.

They will discuss securing a supervisor for a vacation recreation program at Acton park and General Pershing school, and if a suitable prospect is available they in-

NEWS OF OUR MEN and WOMEN IN UNIFORM

ROBERT CAPPS

Robert Samuel Capps, Daly City, was graduated, June 30, from the Army Air Forces Advanced Flying school at Napier field, Dothan, Alabama, and sworn in as a second lieutenant. He received the silver wings of a pilot at ceremonies presided over by Colonel James L. Daniel jr., commanding

officer, and a veteran army flyer. During the same ceremonies he received a medal for best marksmanship in his squadron.

Son of Mr. and Mrs. Walter H. Capps, 345 Winchester street, Daly City, Lieutenant Capps is a graduate of Jefferson Union high school. He was a student at San Mateo junior college when he entered the armed services, April 27, 1942, for flying training.

On Monday, July 5, Capps, who was back to Daly City on a brief furlough, claimed Miss Barbara Foreman, popular local girl and his school-day sweetheart, as his bride. Miss Foreman is the daughter of Mr. and Mrs. Felix Foreman, 35 Woodrow street. Both young people attended Jefferson Union high school and San Mateo junior college.

Capps left for Tallahassee, Florida, last week, where he goes for assignment for further training.

IN ARKANSAS

Private First Class **Herb Poddig,** popular Daly City football star, is now stationed at Camp Chaffee, Arkansas, where he is with the supply battalion. He reports that he likes Arkansas a lot better than Louisiana, where he took his basic training.

"I'm thankful for the news The Record gives me of my townspeople," he said. "It seems as if all the fellows have been home on furloughs except me. I expect one soon, but one never knows what Uncle Sam will say about it."

CHARLES RAZZARI

Word has just been received here from the Lowry field, Colorado, Army Air Forces Technical Training Command Public Relations office that **Charles Joseph Razzari,** Daly City, has been graduated from the Armanent school there with the rank of private first class. Razzari, a graduate of Jefferson Union high school, June, 1942, took his basic training at Saint Petersburg, Florida. Before entering the armed forces, Razzari was employed at the Alameda Naval station and Western Pipe and Steel. At Jefferson, Razzari was outstanding in both baseball and basketball. He is the brother of John Razzari.

COMPLETES COURSE

Dennis J. Leyden, son of Mr. and Mrs. J. Leyden, 3328 San Jose avenue, Daly City, has completed his course of studies as an aviation mechanic in the school of the Army Air Forces Technical Training command, at Amarillo Army Air field, Texas.

His graduation from this technical school now fits him for airplane maintenance and he will be sent to some air base where he will assist in keeping America's Flying Fortresses in the air for Allied victory.

In addition to completion of the schedule of academic and practical studies as an aviation mechanic, he has been thoroughly drilled in military tactics and defense and a course of physical training that has conditioned him to meet all requirements of an American soldier.

UP AT FARRAGUT

Beginning their training at the U. S. Naval Training station at Farragut, Idaho, are men from Daly City.

For the next few weeks these men will learn military discipline, various phases of seamanship, and undergo rigorous physical hardening.

Upon completion of their recruit training, they will be given an opportunity to qualify for advanced training in one of the Navy's many service schools.

These Daly City recruits are: **Denean Junior Baxter,** son of Mrs. E. Baxter, 96 Mission circle; **Richard Scott King,** son of Mr. and Mrs. S. S. King, 199 Vista Grande avenue; **Kenneth Lloyd Miille,** son of Mrs. W. Miille, 207 Parkview avenue; **Robert Gerald Anderson,** son of Mr. and Mrs. G. E. Anderson, 568 Bellevue avenue.

Three Motorists Tangle With Police

Mixture of driving and drinking brought difficulties to three motorists who were jailed by Daly City police in the past ten days.

Thursday, July 8, at 4:45 p. m. Officer Henry Sundermann jr. stopped John Stockton, San Francisco, who was driving a Chevrolet coupe south on Mission street from Hillcrest drive to School street in an erratic manner. The officer reported that Stockton was going about 60 miles per hour and was under the influence of liquor. He was jailed and bail was set at $100 cash.

The driver was released on payment of the bail, to appear, tomorrow, July 16, in Judge William J. Sweeney's court.

Frank Scott Martell, San Francisco Auto court, ran into difficulties with the law, Friday, July 9, 7:35 p. m. when he drove recklessly south on Mission street from Hillcrest drive to the court, then back out of the court and north on Parkview. When stopped by Officer Sundermann he was found to be drunk. His car was placed in the Daly City garage and he was jailed for driving while under the influence of intoxicating liquor. On Saturday, July 10, he was released on payment of $50 cash bail to appear

Refuses To Pass Resolution For Reassessment

Grants Funds To Buy C. D. Blackout Lights

Members of Daly City's Board of Councilmen, Monday night, declined to pass a resolution authorizing reassessment of properties involved in the Garibaldi suit which resulted over dissatisfaction on the part of some of the property owners with the south end streets project costs.

E. A. Wilson, attorney for Hanrahan-Connolly, the contractors, pointed out that only thirty of the original 211 contenders still refused payment and that continuation of the litigation merely wasted everyone's time and money. Despite his plea, the councilmen stuck to their decision to pass no resolution granting an assessment.

The council, which was to have sat as a board of equalization to equalize assessments, Monday, July 12, 10 a. m., continued their session as a board until Monday night, July 19, when they hold their caucus. Applications for correction of assessment of real estate, improvements and personal property are required to be verified by oath and filed with the city clerk. The assessment rolls were open for examination at the office of the clerk, from 9 a. m. to 5 p. m. each day.

Only four of the council members, Edmund Cavagnaro, Eugene V. Lynch, A. J. Gaggero, and John J. Fahey sr., were present, Monday night. City officials on hand were Fire Chief A. P. Chesney, Water Department Superintendent A. J. Bodien, City Clerk B. C. Ross, Engineer R. A. Klassen, Deputy County Health Officer Fred Collins, Police Chief James G. Reardon. The session got off to an 8:30 p. m. start only to be interrupted by a fire alarm (another grass fire). It was impossible to hear the reading of the minutes during the signal. When the session was resumed, communications were read and handled.

Upon invitation from the Peninsula division, California League of Municipalities, the council and a number of officials decided to attend the July 15 league meeting at Palo Alto. Post-war reconstruction plans were to be discussed, according to the league's an-

Give Cooperation To Zones System

Herbert Guptill, postmaster at Daly City branch office, 6251 Mission street, announced this week that local residents and business men are giving their cooperation in the new zone method of addressing mail. He reports innumerable inquiries and general good nature about the necessary changes. The zone number is now an integral part of all local addresses, due to the fact that Daly City falls in San Francisco for post office purposes. All larger cities in the nation are now adopting the new system of addressing which includes a zone number as well as a street address.

Zone number for Daly City and Colma is 25 and is used between the name of the community and the state. For example:

John Doe
000 Hanover street
Daly City, 25, California

Business houses were reminded that, when they get new stationery, envelopes, or billheads printed, they should include the zone number.

LEGION ASKS SUPPORT IN OLD RECORDS DRIVE

"Dig up your old records, your cracked, scratched and broken records TODAY and turn them over to your local Legion post," said A. G. K. Jakobsen, commenting on the current drive for scrap records in Daly City.

"One of the greatest opportunities for service is offered in this campaign for scrap records so that our fighting men in remote locations may enjoy music and entertainment from home.

"There are no theatres in the jungle wastes or the Aleutians. Radio sets are not permitted. So recorded music is the answer. The boys are hungry for entertainment.

"Shellac, from which records are made, has been frozen in the United States. It is an essential of war. New records can be produced only if old records are turned in.

"Artists and bands are standing by to make the records. Manufacturers are ready to create them and distribute them to the fighting men. Mr. and Mrs. Public in Daly City, you are asked to dig up those old records!"

Jakobsen announced that the drive will end July 31. Collection depots here include: Hanover grocery, 653 Hanover street; New Daly City market, 398 Templeton avenue; Baum's grocery, 399 Evergreen avenue; Rusting's grocery, 499 Bellevue avenue; Philosophy store, 35 Hillcrest drive; Spring Valley market, 198 Los Banos avenue; Phil's grocery, 108 Los Olivos avenue; Westlake market, 301 Miriam street; Castle Garden grocery, 202 School street; Chelone's grocery, 82 School street; Geneva bakery, Colma; Lucca Ravioli company, 7370 Mission street; Madam Lombard's, 6556 Mission street; Vista Grande market, 6350 Mission street; Dominchini's Shoe shop, 6270 Mission street. Any other stores or restaurants which would act as collection depots in the drive are asked to contact Jakobsen at RAndolph 6895.

Those residents who have an unusually large number of records, which would be too heavy to carry to the nearest depot, may call a Legionnaire in their neighborhood. Legion members serving in this capacity are: Jakobsen, 332 Miriam street, RAndolph 6895; Pete Bordson, 614 Templeton avenue, DElaware 58-61; Ruggero Dominchini, 1043 Hanover street, JUniper 4-5530; John Matzek, 423 Irvington street, DElaware 10136; James Hughes, 134 Moltke street, ELkridge 1130; Orville Tallmadge, 351 Woodrow street, DElaware 3857.

Jakobsen asked air raid wardens in the area to get behind the drive. He requested their cooperation in a house-to-house canvass for old records.

Large Class Wins Certificates

Miss Ella Redkey and Miss Claire Nace, who have been in charge of the Red Cross swimming and water safety campaign at Jefferson Union high school, this season, announce the names of those who received a Beginner's Swimming card when the course was concluded, July 2.

Those to earn the certificates were: Michael Casentini, Richard Dickson, Jean Eliasen, George Haley, Gerrie Haley, Nancy Schreiber, Joy Sieger, Stephen Ward, Eleanor Bacigalupi, Roy Barnes, Bettie Duffy, William Kahru, Lois Rentsch, Richard Ryan, Charlotte Taylor, Robert Volkman, John Vollman, Donovan Wheless, Robert Mayo, Frances Cotter, James Johnston, Patsy Mabon, Leonard Monson, Jimmy Rasor, Jack Gensel, Leonard Gonterman, Edith Clem, Rita Hansen, Elsie Hesslein, Barbara Mahoney, Florence Priola, Ann Whorley, Doris Mercurio, Alberta Milani, Dianna Morgan, Jim Rutter.

In addition, 45 pupils, although they did not pass the test, learned to swim 40 feet. During the course, average daily attendance was 187. There were 277 names on the rolls.

Majority of the enrollees were children, but not all.

Although the Red Cross classes are finished, the pool is open daily to the public. Wednesday evenings it is reserved for women only. Schedule is 2 to 5 p. m. and 7 to 10 p. m. and these hours apply for the gymnasium as well as the pool.

Police News

(Continued from Page 1)
at court, July 16, 2 p. m.

L. T. Pendleton, 99 Park avenue, was found by Officer August Benassini asleep in his Plymouth sedan, Sunday night, July 11, in front of 6282 Mission street. He had left his motor running and the officer reported him as "drunk and helpless." He was jailed and bail set at $10. Upon payment of $10 he was released, Monday, July 12, to appear in court, July 23, at 2 p. m.

Other police department activities for the period included aiding the fire department with the large number of recent grass fires, the settling of family squabbles, returning lost children to their parents, investigating prowling complaints, admonishing dog-owners to keep "Fido" quiet, off the streets, and away from the ankles of unsuspecting letter carriers.

COUNCIL MEETING

(Continued from Page 1)
nouncement.

Principal James Ferguson, Jefferson Union high school, advised the council that the board of trustees of the high school was unanimously in favor of the passage of a curfew ordinance for Daly City and that he would be glad to meet with the council to study the protection of juveniles in this community.

A request from Arthur J. Bodien, C. D. director, for funds to acquire necessary blackout lights for city vehicles was granted. Under the state law creating the California State War Council, issuance of all permits for auxiliary emergency vehicles to be driven in blackouts passed to the control of the new war council. On July 18 the emergency vehicle permits issued by the highway patrol (E stickers) become invalid and under the new jurisdiction a special type of blackout light is required.

The fire commissioners asked that Ernest Martini, Company No. 6, be granted a 4 months leave of absence. The council complied.

The matter of whether or not former Police Officer Joe Kusber should be recognized as a regular fireman and paid accordingly was cleared up, with the decision that effective with his resignation as a policeman, he became a regular fireman and as such was entitled to proper remuneration.

The Veteran Firemen's association reported that the chimney at their meeting hall, 188 Santa Barbara avenue, was a fire hazard. The council asked Building Inspector Bodien to order repairs.

Mrs. Ann Eason, representing the Daly City Servicemen's club, made a report on progress at the center to the council. She asked them to provide a "no parking" sign in front of the club.

Engineer Klassen pointed out the advisability of the city taking part in a current survey to redetermine the population to the end that more generous federal and state appropriations might be secured. The council decided against immediate action on this matter, preferring to give further study to the question of whether or not the community has seen a sufficient increase in population to warrant such an outlay of funds.

Better Fill It Out "Completely"

Holders of "A" gasoline rationing books are cautioned by War Price and Rationing Board No. 83-12-3 to fill out "completely" their applications for renewal of the basic mileage rations which must be in the hands of the board by July 21, or, preferably, earlier.

Chief error tabulated to date by local boards is the failure on the part of the applicant to fill out the lower section of the renewal application blank. The charts seeking tire inspection information must be answered twice, once in Section "A" and again in Section "B". Omission of this information will result in delay of delivery of the new books.

Applicants also were reminded to mail, with their application, the back cover of their present "A" book, showing name and address of applicant, accompanied by the current tire inspection record for the vehicle.

Address of Board No. 83-12-3, which serves Daly City, is 470 Grand avenue, South San Francisco.

Recreation Committee Meets Tomorrow Night

(Continued from Page 1)
dicated that appointment would probably be made.

Under study will be the curfew ordinance now receiving the consideration of cities throughout the entire county. Members will decide how much value they think such an ordinance would have in Daly City as an aid to the curbing of juvenile delinquency.

Members on the city's recreation committee are the five councilmen, Mrs. Ann Eason, Mrs. Maisie Boyle, Arthur J. Bodien, R. L. Crane jr., district superintendent of grammar schools, and James Ferguson, high school principal.

Discontinue Afternoon Hours At Service Club

It was decided, this week, to eliminate afternoon hours at the Daly City Servicemen's club, 6201 Mission street. The center will be open 7:30 p. m. to 12:30 a. m. daily. Mrs. Ann Eason, spokesman for the committee in charge of the club, told members of the city council, Monday night, that records at the club show that nearly 95 per cent of the attendance occurs during the evening hours. For this reason the change was made.

Approximately 2,500 servicemen use the center each month. Hostess organization at the club, currently, is Cypress Circle No. 14, U. A. O. D. For the week of July 18, Jefferson Union High School P. T. A. will be in charge, and for the week of July 25, Hillcrest Circle No. 143, U. A. O. D.

Recent donations to the club came from Miss E. Poplouskry and Miss L. Poplouskry, Holy Names Society of Our Lady of Perpetual Help church, Alex Johnson Roofing company, and C. E. Fahy, sign painter.

"DOWN UNDER"

Charles Leroy Stratford, above, is now in Australia, according to word received here by his parents, Mr. and Mrs. Charles Stratford, 1075 Hanover street. He is a corporal in the U. S. Army Medical corps and has been in the service a year and a half now. He but recently left New Guinea.

Charles' brother, Wallace Stratford, also a corporal with the medical corps of the Army, is at Camp Arthur in Texas.

Lost Ration Books

(Continued from Page 1)
waiting period of (60) sixty days is required.

These steps are taken by the local board on recommendation by Edgar Sinton, regional rationing executive. "Lost Ration Books mean duplicate rations which will necessitate an increase in the point value of all rationed foods. This penalty would necessarily be imposed on the nation by a few selfish or thoughtless persons, who use books not rightfully theirs. Such an action, like treason, helps the enemy," the board said.

Persons who violate rationing regulations are subject to $10,000 fine or imprisonment or both.

COOKING CLINIC

Arrangements have been made to start groups of local housewives using pressure cookers at Jefferson Union high school, Monday, July 19, under the supervision of a representative from San Mateo junior college. School authorities must be advised by phone or letter prior to that date just how many quarts each person will be interested in canning and what type of vegetable she will bring.

In addition to the pressure cookers, water baths and dehydration facilities will be provided. Only 60 quarts per day can be handled in the pressure cookers.

It will be impossible to accomodate any women who did not make reservations in advance. There is still time to sign up, however, if interested individuals will write the high school, 6996 Mission street, or telephone, RAndolph 6612.

Length of the canning clinic at Jefferson high will depend upon the final number of reservations made prior to the opening date, July 19.

Competent supervision will be made available to the housewives of the community during this project. Reasons for making the free use of pressure cookers possible are the war-time shortage of such cookers, the necessity for home canning, and the prevention of faulty canning methods which might result in botulism.

WHEN a street or a road is crowded, you can see it. But you can't see when the Long Distance lines are crowded.

So the operator will tell you when the circuit you want is extra busy. Then she will ask you to limit your Long Distance call to not more than 5 minutes.

That will help others to get their calls through, too.

Senior Air Raid Wardens Hear Talk By Emerson

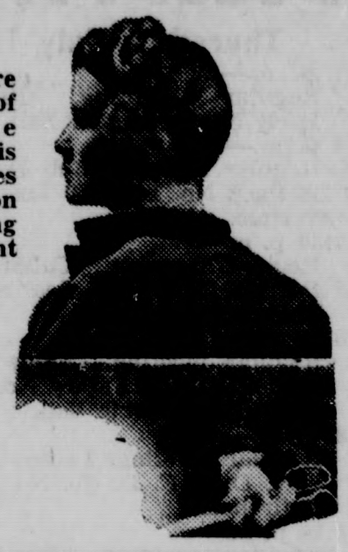
John Emerson, assistant chief air raid warden, gave a lecture on first aid at the regular meeting of senior air raid wardens, Friday, July 9, at the city hall. He discussed splints, artificial respiration, and other phases of first aid care.

Next meeting of the senior air raid wardens will be held, Friday, July 23, 8 p. m. at the city hall, 75 Wellington avenue.

Mr. and Mrs. C. E. Dotson, both active in the work of the senior air raid wardens, will not be present for the July 23 session as they left for vacation, Monday, July 12, and will not return to Daly City until Monday, July 26. They plan to "rest up" at Russian river.

NOW AT DALY CITY THEATRE

"SOON . . . there will be one less of this horrible horde!" Dorris Bowdon prepares a fatal reception for unsuspecting Nazi Lieutenant Peter Van Eyck.



This dramatic moment occurs in John Steinbeck's "The Moon Is Down."

Offer Screen Fans "The Moon Is Down"

One of the most eagerly awaited pictures to come out of Hollywood since the same author's "The Grapes of Wrath" opens tonight at the Daly City theatre. It is, of course, the widely heralded picturization of John Steinbeck's "The Moon Is Down."

As a novel, John Steinbeck's "The Moon Is Down" was acclaimed as one of the greatest. From the minute it was published it headed the best seller lists, was selected by the Book-of-the-Month Club and in a nation-wide poll was voted "the book of the year." Brought to the screen by 20th Century-Fox, the film is, according to advance reports, "one of the greatest of all time."

Throbbing with the fury of emotions beyond words, "The Moon Is Down" tells the gripping story of a freedom-loving people whose hopes, strength and spirit—even under the heel of the conqueror—will never be crushed. Theirs is the will to live, and they prove anew that those who won't be beaten can't be beaten.

To Producer Nunnally Johnson, who also wrote the screen play of the picture, goes much of the credit for bringing "The Moon Is Down" faithfully to the screen. His cast was chosen carefully, with extreme care for the needs of the individual roles.

Sir Cedric Hardwicke was picked as Colonel Lanser, the cold-blooded Nazi leader, who commands the occupying force, Henry Travers has the most important role of his long and distinguished career as the fumbling, yet courageous mayor, and his home-spun, philosophical advisor is portrayed by Lee J. Cobb. Dorris Bowdon, who enacted the important role of "Rosasharn" in "The Grapes of Wrath," returns to the screen as Molly Morden, while the mayor's wife is Margaret Wycherly, renowned Broadway actress.

A QUESTIONABLE POLICY

The attitude of the government toward the retail distribution industry is becoming more unreal and nightmarish. Merchandise costs are in many cases no longer permitted to govern retail prices. The latter have been arbitrarily set by decree. In the meantime, costs of production move inexorably upward, leaving the merchant in the fantastic position of trying to stop the vast tide of inflation from reaching the consumer, out of his own pocket. As if this was not enough, the OPA now seeks to turn every housewife into a self-appointed snoop. With never a suggestion that honest intention may be the grocer's; that error is inevitable under OPA's complex structure, it offers advice to consumers on "How to keep your food bill down," and suggests that OPA price lists be used as a check on merchants. By illustrations it explains how the willful price violator can be brought before the "War Price and Rationing Board," and ultimately before the bar of "Justice" to receive the verdict, which, it is pointed out, may be one year in jail and $5,000 fine.

It is only right that willful violators should be punished. But there is so much chance for error and unfairness in this official promotion of amateur sleuthing, that it seems unAmerican and beneath the dignity of a great and powerful government to promote such tactics to enforce its orders.

Admitting that government agencies have a tough job on their hands in these trying times, and after making full allowance therefor, the fact remains that political opportunism plus plain bungling within government has reached shameless proportions and is largely responsible for the present crucial cost-of-living problem. Retail merchants, as the final link in the chain of civilian supply, are being required to bear the brunt of a merciless economic squeeze under political maneuvering within government that is not a credit to our nation.

YARDSTICK OF CAPITALISM

Capitalism is unlike other "ism's" in one surprising respect. Millions of its "party members" do not know they are capitalists. They wear no badges, carry no cards. Yet they are the largest single group in America.

One concrete measure of the scope of capitalism in this country is fire insurance. The wise capitalist does not operate without it, even if he could. The merchant, the farmer, the home owner are capitalists and their capital in nine cases out of ten is protected by fire insurance. The same is true of the person with invested savings. He is a capitalist in the strictest sense, and all along the line his investments are protected by fire insurance. No corporate enterprise could turn a wheel with safety to its investment, unless its properties were insured against fire.

Robert P. Barbour, president of the National Board of Fire Underwriters, recently declared that: "The foundations of our business rests on the private ownership of property of all kinds; on the private investment of money; on the personal initiative of millions of people to earn a living, who in doing so increase the wealth of the nation. Fire insurance protects the property of rich and poor alike, without discrimination in price when the hazards and protection sought are essentially alike. It comes in contact with every kind of person and every type of property . . . Ours is a neighborhood business . . . The great bulk of all the policies issued and the premiums received are for the protection of relatively small properties, such as are owned or are occupied by the average citizen."

Fire insurance in force totals countless hundreds of millions of dollars. Every insurance policy was bought by someone to protect property, someone who, whether he realizes it or not, is a capitalist. We should think well and long before tossing the capitalists out of the window. Most of us would be among them.

HAPPY FUNERAL

Death, ordinarily, is a sad affair, but the death of the National Youth Administration, recently ordered by Congress, is the exception that proves the rule. The burial of NYA, with its multimillion-dollar overhead, will be a happy funeral—at least from the standpoint of the taxpayer.

An overgrown child of depression, which had refused to grow up and accept the responsibilities of adulthood, the NYA still continued to spend millions providing "opportunities" for youth when the nation's youngsters had long since gone to war, or found jobs in war factories.

Somehow, we can't find it in our hearts to grieve about the passing of NYA. We only hope that it is the forerunner of other and bigger funerals for other depression-departments which are still doling out millions and billions in an era when time has passed them by.

"Laugh Time" Scores Uproariously At Curran Theatre In San Francisco

From Broadway and the movie lots, the night clubs and radio come the stars and headliners of "Laugh Time," which has scored uproariously at the Curran theatre as another Paul Small-Fred Finklehoffe revue hit. Together for the first time, Frank Fay, Ethel Waters and Bert Wheeler are the big-three combination at the head of all this all-Broadway laugh aggregation. Counted among the star attractions of "Laugh Time" are Leonard Gautier's amazing dog performers, The Bricklayers, known to Broadway and Hollywood as the topmost act of its kind.

Billed as a variety stage revue, "Laugh Time" comes as the latest in the Small-Finklehoffe string of Broaway and West Coast successes. It was these two that put on the Ed Wynn hit, "Big Time," and earlier, "Show Time," in which George Jessel, Jack Haley and Ella Logan were the bill-toppers.

Take it from San Francisco critics, "Laugh Time" has not only pace and change of pace, but it has imagination and the flavor that only top-money talent can give a show of this kind. For one thing, Frank Fay and Bert Wheeler are certainly no tyros. They can make an audience scream with laughter, and so can a hundred other comedians. But Fay and Wheeler, alone or together, can establish that intangible rapport that can make the fellow in the audience feel he's a part of the performance.

Taking on the proportions of a real Broadway revue, "Laugh Time" may well exploit Ethel Waters as the biggest singing attraction yet booked by Small and Finklehoffe.

Besides Frank Fay, Ethel Waters, Bert Wheeler and the Bricklayers, "Laugh Time" presents a wide range of song and dance stars headed by Paul Haakon, Eunice Healey, Lucienne and Ashour, Jarri Vance and others.

READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

WHEN Stephen Vincent Benét died a short time ago, he was just putting the finishing touches to a long narrative poem called "Western Star." In this poem, he told the exciting story—as only he could tell it—of the early colonization of what we know today as the United States —particularly the founding of the Jamestown and Provincetown colonies.

STEPHEN VINCENT BENÉT

The poem was shown to the judges of the Book-of-the-Month Club while it was still in manuscript form, and they immediately selected it for distribution as one of the July choices. Rarely, the judges say, have they come across anything as thrilling as Benét's last poem.

They had the same reaction back in 1927, when they selected Benét's narrative poem of the American Civil War—"John Brown's Body." The following year "John Brown's Body" was awarded the Pulitzer Prize, and ever since Stephen Vincent Benét has been recognized as one of our greatest poets.

Long before Pearl Harbor, Benét in his poetry warned us of the menace of fascism and tried to prepare us spiritually for the war to come. Then when we entered the war, he threw all his energies into writing poems and radio plays to inspire the American people for the great task on hand.

That Stephen Vincent Benét died when he did, in the full tide of his powers, was an inestimable loss to American literature. That he was able to finish his epic "Western Star" is something we can all be grateful for.

A hint for welcoming visiting celebrities: Richardson Wright in "The Bed-Book of Eating and Drinking" tells of a state visit which Louis XIV made to Rheims. At the gates of the city he was met by the city fathers, who addressed him thus: "Sire, we offer you our wine, our pears, our gingerbread, our biscuits and our hearts."

Mr. Wright's book, aside from containing many valuable hints about the preparation of food, contains scores of amusing anecdotes. Such as the one about the cook of a friend of his who gave notice. What was the trouble? Weren't the wages satisfactory, the bedroom, the time off? Yes, all these were. Then why was she leaving? "Because, Ma'am, there's too much shiftin' of the dishes for the fewness of the food."

When Winston Churchill arrived in Moscow for his visit to Stalin, relates Henry Cassidy in "Moscow Dateline," he greeted the Russian guard by raising his hand in his famous "V for Victory" salute. The Russians did not know what he meant—the word for "victory" in Russian is "pobeda." They speculated among themselves and finally decided that by raising his two fingers Mr. Churchill was promising them a quick Second Front.

Nazarene Church Has New Schedule

Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, under the direction of Reverend D. C. McKisson, has begun a new type of service in the Sunday school and morning worship hour.

The Sunday school service begins promptly at 9:45 a. m. Congregational and special songs are carried on until 10. Classes convene from 10 to 10:30. On returning from the class period, songs and choruses along with special songs and musical numbers suitable for the morning worship hour are presented. The morning message is given from 11 to 11:30.

Reverend McKisson said, "This service has been installed for the purpose of permitting the Sunday school pupils, and any others who wish to return to their homes at an earlier hour, to attend the morning worship period. In this type of service there is no dismissal between the Sunday school and morning worship sessions."

Evening services on Sundays include young people's service at 6:45 p. m. and evening worship at 7:45 p. m. The evening worship hour is evangelistic in content.

Reverend McKisson has pastored churches in Visalia, Taft, and Reno. He resides, with his wife and daughters, Vrena and Joyce, at 33 San Pedro avenue. His phone is RAndolph 7080. He issues a cordial invitation to the public to attend services at Grace Church of the Nazarene.

● We aren't looking for a hero's halo, or anything of the sort. But we do point out that in war times your prescription pharmacist has a rather important part to play. We share, with your physician, the great responsibility of keeping people well so that our vitally important war work will not be delayed.

If you are feeling a little under par physically, we urge you to call on a good physician. Our part is to fill his prescription—exactly as directed—and at a fair price.

COUNTY BACKS DRIVE

Asks That Records Be Turned In Here

County Executive Frederick Peterson today issued an appeal to the citizens of San Mateo county to support the American Legion campaign for old phonograph records.

Throughout the nation the Legion is collecting old records, turning them in to the record makers and in return receives new records which are distributed to the armed forces on all the fighting fronts.

This newspaper is acting as a depository for the old records which should be brought to the publication office, 3317 San Jose avenue, immediately or to any store appointed by the Legion as an official depository.

The county executive said that every Legion post in the county was joining in the campaign to collect the old records and with the full cooperation of the public this great contribution to the morale of our armed forces can be made a success.

10% OF INCOME IS OUR QUOTA IN WAR BONDS

EYE-CATCHING AND APPEALING, more colorful than an explorer's dream, are the red and purple penguins calmly drifting on ice floes over the white jersey pinafore worn by CBS actress Janet ("Lux Radio Theatre") Russell. A blending fuchia cord adjusts the drawstring neckline and sleeves of the white blouse. One of this season's unique prints, the rampant penguins provoke much appreciative conversation. SAFEWAY Homemakers' Guide

Warm weather thirst quenchers

When that old, red mercury starts climbing toward the top of the thermometer, be ready with thirst quenchers that will buoy up your spirits! Simple to plan, simpler to make. Casual coolers . . . special occasion beverages . . . nourishing milk drinks that serve as part of a meal—any one of them will prove to be a welcome pickup when energy seems to be at low ebb. Don't let Mr. Mercury catch you unprepared!

SUGAR SYRUPS—One of the first requisites of cool beverages is the sweetening that can be added instantly. It stretches the sugar supply, too, because it blends with the drink completely. Have some on hand. Combine 1 cup sugar with 2 cups water, stir until dissolved, then boil rapidly for 10 minutes. Cool and store covered in the refrigerator until needed.

FRUIT ADES—Oranges, lemons and grapefruit are tops among thirst quencher ingredients. But don't forget other fresh fruit, too. Press the juice from ripe plums, peaches, apricots, nectarines or berries by forcing the fruits through a food press or coarse sieve. Mix the juice with water . . . or for that added sparkle, mix it with plain carbonated water. Add sugar syrup to taste, and serve frosty cold.

MILK SHAKES—HOME STYLE—When a light snack is in order, serve it in the form of a nourishing milk drink. Mix chilled milk with sugar syrup and flavoring, or with molasses, honey or corn syrup. A dash of plain carbonated water will give it that "ice cream soda fizz," and a bit of nutmeg dashed on top will add just enough spice.

CARAMEL EGGNOG SODA—Make a sugar syrup using brown sugar instead of white. Sweeten chilled milk to taste and beat in a well-beaten egg. Again, carbonated water can be used for the bubbly feature. Serve with thin sandwiches or cookies for a light lunch or midafternoon refreshment.

FRUIT SYRUPS—Don't forget to save all the syrups from canned fruits. They are grand mixed with lemon or orangeade or for that fruity flavor in milk drinks.

TOMATO LEMON PUNCH—Fresh tomato juice, pressed from ripe tomatoes and enlivened with a bit of lemon juice makes one of the most ideal thirst quenchers for the hottest days. Add just a bit of sugar syrup, a dash of clove and stretch with carbonated water. Serve cold as ice. It's something to rave about.

FOR MORE ABOUT COOL DRINKS be sure to get your copy of Family Circle Magazine at your Safeway this week, and read Julia Lee Wright's article entitled "Cool Drinks for Warm Days." You'll find hot weather ideas galore.

Tax Association Reports On San Mateo

"San Mateo county's tax requirements for relief for 1943-44 should be considerably below the amount needed for 1942-43," California Taxpayers' association stated today, studying relief costs in counties.

Total relief payments out of county taxes for May, 1943, amounted to $14,003 compared with payments from county taxes of $13,977 for July, 1942, the first month of the 1942-43 fiscal year. Total payments for relief in the county from federal, state, and county funds amounted to $48,960 for May, 1943, compared with $49,161 for July, 1942.

Aid to the needy aged took $10,751 of county tax payments for May, 1943, compared with $10,540 for the preceding July, the association found. While old age aid rolls may increase in the coming months, the legislature cut the county's share of each old age relief case in half, effective July 1, 1943.

Aid to the needy blind cost the county treasury $536 for May, and $408 for July.

Aid to dependent children from county funds was $530 for May, and $573 for July.

General county relief, financed entirely by the county, cost $2,184 for May, 1943, compared with $2,456 for July, 1942.

GETS DEGREE

Announcement of the awarding of the degree of Bachelor of Science in the College of Engineering to **Joe Peter Nicoletti**, Daly City, was made, this week, by Robert G. Sproul, president of the University of California.

THAT NIGHT A MIRACLE HAPPENED

EXCERPT from a letter from Africa . . .

"It is night in a field dressing station. They bring in a soldier who's gone into shock. He looks like he is dead. And they start plasma flowing into him and back he comes. I tell you there are a lot of fellows coming back from Africa who wouldn't have returned if plasma wasn't on hand. That plasma is miraculous."

NOT ONCE but many times by the hundreds, before the tired eyes of doctors and nurses, blood plasma has performed its miracles in battle zones on land and sea.

Look at the record. In this most merciless war of all time, modern medicine has cut the death rate of wounded men from the 1918 figure of 7% to less than 1% today.

Beyond price. In this most expensive war of all times, the most priceless medicament is plasma—dried blood. Its sole supply is from voluntary blood donors.

The need is great. Northern California quota is 5000 Blood donors a week for the Red Cross Procurement Centers in San Francisco and Oakland.

What to do. Arrange for an individual blood donation at your nearest Red Cross Chapter or come as a group, as many clubs, churches, labor unions and fraternal organizations have done.

Why you MUST come to San Francisco or Oakland! Blood procurement centers must be located near dried blood laboratories. There are only nine such laboratories in the United States. California has two of these—one in Berkeley—one in Los Angeles.

Cut out and mail in the coupon appearing below. You will get a prompt reply. If you live some distance away from the Bay area, you can use the coupon, make arrangements through your local Red Cross, or phone for an appointment. Northern California must not fail in its weekly quota of 5000 Blood Donors.

An Unbeatable Warm Weather Combination

IT'S up to you, the homemaker, to liven up the family's leisure time now that war restrictions are keeping them at home. A few refreshments served in an attractive manner can easily turn a Sunday afternoon into a gala occasion, and what's more, your family will be delighted with the little fuss you have made over them. The party spread, photographed above, is really no trouble at all to make. The dainty sandwiches and frosty iced coffee are an unbeatable summer time combination. But be sure to make the coffee a bit stronger than usual to allow for melting ice.

When you serve sandwiches in warm weather, it is a good idea to make them with light spreads such as those shown in the illustration. The following are excellent: cream cheese, green pepper and celery; watercress and mayonnaise; tomato aspic garnished with olives; chopped parsley and cream cheese; and chopped carrot and lettuce. Don't forget to cut the bread very thin and into varied shapes to make a more attractive sandwich plate. Assorted breads also lend variety.

There is nothing quite so tempting to serve with these sandwiches on a scorching summer day as iced coffee. You will regain your pep and cool off while enjoying its flavorful goodness. And be sure to get the most out of your coffee by making it fresh each time you serve it. The ultimate in flavor is obtained by pouring freshly made hot coffee into a glass filled with ice. Add sugar and cream to individual taste. Many people prefer to take it plain with nothing added to the delicious coffee flavor.

Daughters Of Israel Plan July 15 Whist

The July whist of the Daughters of Israel will be given tonight, July 15, 8:30 p. m. at 67 Los Banos avenue. There will be many nice prizes and the public is cordially invited to attend.

On Friday, July 9, a special meeting of the unit was called to discuss plans for the fall term.

More than fifty of the "boys" and their partners enjoyed the dancing and refreshments. This was one in a series of parties the Legion groups are giving for servicemen stationed in the Daly City area.

Miss Genevieve Blue, chief clerk at **War Price and Rationing Board No. 83-12-3,** 470 Grand avenue, South San Francisco, today reminded Daly City residents that there is still great need for volunteers to help with the vast amount of detail work involved in the issuing of "A" gasoline book renewals. "This is war service work of a very important nature," she said, "and we will certainly welcome whatever amount of time any patriotic citizen can give to the project."

MEAT DEPARTMENT

In view of market conditions, we're proud of the way we've been able to protect our customers in the months of the meat shortage. It's taken all the knowledge we've gained in years of market operation but we still claim to be your BEST source of this important food.

Our tremendous volume has helped in holding complete selection of kinds and cuts of choice fresh and cured meats. And that volume was built, and is being held, on three points — quality, service, and price.

Fresh fish and poultry are not rationed. Serve them often and your family will enjoy them, while you save ration points for other foods. You'll find a wide selection in our big department at MILO'S.

BEST FOOD For QUICK ENERGY

BEST FOR THE ARMED FORCES

BEST FOR YOUR FAMILY

Meat, with its elements of proteins, B vitamins and minerals, is needed in the balanced diet for servicemen and civilians alike. That's a big reason why today's demands, together with present market conditions, have brought on our rationing program.

We know it's discouraging to try to buy sufficient meat for your family, today. But it is important that the nation's health be maintained so the total war effort may not be hampered.

We dealers have had troubles increased many times over, too. And not the least of these is caused by the genuine interest we take in trying to protect our customers in every way possible. There's nothing we leave undone which may aid in solving your meat-buying problems.
